# Insurance cover for your Physio-Control Defibrillator

You've purchased your LIFEPAK to protect those around you, but now you need to protect the equipment itself.

Enrizen and Physio-Control have arranged for a specialised insurance cover with Zurich to provide cover for your LIFEPAK.

The insurance provides cover for up to \$2,000 for the cost of repair or replacing your unit should it be lost or damaged during the period of insurance.

The total premium for this policy is **\$297** per year.

For further information or enquiries call Enrizen on **1300 650 341**.
